Professional Additive Range

Diesel Injector Cleaner PKADPDIC.325

- ✓ Cleans and lubricates all fuel injector systems and reduces deposits
- ✓ Restores original spray pattern and improves performance
- ✓ Suitable for HIGH PRESSURE / COMMON RAIL SYSTEMS
- ✓ Fast acting concentrated Diesel Injector Cleaner

Petrol Injector Cleaner PKADPPIC.325

- ✓ Eliminates hard starting, flat spots, rough running and poor performance
- ✓ Delivers optimum efficiency and economy at an affordable price
- ✓ Designed for all HIGH PRESSURE Direct Injection Systems
- ✓ Cleans all petrol injector systems & carburettors fast

Engine Flush PKADPEF.325

- ✓ Flushes damaging contaminants from engine components
- ✓ Cleans engine - removes sludge, gum, dirt and varnish
- ✓ Frees up sticky valves, rings and hydraulic lifters
- ✓ Adds life to your oil, filter & engine

Engine Friction Treatment PKADPEFT.325

- ✓ Reduces friction and engine wear, penetrates and improves lubrication
- ✓ Increases engine and new oil performance, power and fuel economy
- ✓ Provides protection for worn parts, reducing engine noise
- ✓ Protects engine during extreme conditions

Worn Engine Fortifier PKADPWEF.325

- ✓ Extends engine life, reduces wear and promotes a quiet smoother engine
- ✓ Reduces oil burning and exhaust smoke, decreases oil consumption
- ✓ Restores lost engine efficiency and performance in worn engines
- ✓ Helps restore engine compression and maintains oil pressure

Engine Tune Up PKADPETU.325

- ✓ Frees sticking valves, stems, lifters, rings and moving parts
- ✓ Dissolves gum and varnish deposits and keeps engine clean
- ✓ Restores engine power, performance and efficiency
- ✓ Quietens noisy hydraulic lifters and valve train

Radiator Flush PKADPRF.325

- ✓ Removes oil and grease deposits, sludge, loose rust and debris
- ✓ Cleans to prevent cooling system failure and overheating
- ✓ Can be used with all modern coolants and antifreeze
- ✓ Fast acting complete cooling system cleaner

Radiator Stop Leak PKADPRSL.325

- ✓ Temporarily repairs corroded welch plugs and weeping cylinder heads
- ✓ Seals leaks in radiators, heater cores, hoses and cooling systems
- ✓ Restores coolant flow and heat transfer efficiency
- ✓ Fast acting, non-clogging stop leak
