

PRODUCT NAME
PREPCLEAN

Prepclean

Details

Prepclean is a wide boiling range, low aromatics, and hydrocarbon solvent.

Prepclean has high solvency for greases, oils and silicones making it ideal for cleaning surfaces prior to painting.

Features

- A low flash point solvent, which leaves no residue on drying.
- Will not mix with water.
- Low aromatics content makes Prepclean more pleasant to use than other solvents
- Provides exceptional performance as preparation solvent in the automotive refinish industry.

Benefits

Prepclean has a lower aromatics content than other cleaning solvents making it more pleasant to use than higher aromatics products. Low aromatics content also reduces skin irritation potential.
