## PRODUCT NAME

DEGREASER

## DESCRIPTION & APPLICATIONS

Peak Degreaser Fluid is a powerful, water-soluble solvent blend specially designed to penetrate and dissolve built-up grime and grease. Suitable for Oil and grease removal such as on driveways, garage floors, motorcycle and car engines and parts. Suitable as a parts washer.

### Application:

- 1.Remove excess grease and oil.
- 2.Brush or spray on liberally and let soak for a few minutes. For stubborn patches or stains, brush vigorously.
- 3.Hose off with water.

## FEATURES & BENEFITS

Easy to use – simply brush on and hose off.

Water-miscible, solvent-based.

Non Flammable with a flash point above 61C

Do not use a water stream into the parts washer as the sump will emulsify into the water.

## HEALTH / SAFETY & ENVIRONMENT

Health, safety and environmental information are provided on the Material Safety Data Sheet for this product. Users should consult the MSDS, follow the precautions outlined and comply with all laws and regulations concerning its use and disposal.

## TYPICAL CHARACTERISTICS
